As a highly motivated and self-driven Full Stack developer, I possess a strong ability to learn quickly and am **always eager to expand my knowledge base through collaboration with experienced developers**. With a **sharp mind for programming logic and creative problem-solving skills**, I am dedicated to helping companies make a positive impact through innovative solutions.

## Employment History

Apr 2022 — May 2023

## Frontend Developer at B24chat

As a vital member of a website development team, I collaborated with UI/UX designers to create a variety of websites tailored to meet their specific requirements.

- I was responsible for developing a diamond selling and buying website, where I **successfully handled all frontend components**, including integrating the frontend with the backend using **Redux**. [Showcase](#)
- I played a key role in developing websites, **Leveraging my skills in React and Redux**, I successfully managed the development and implementation of these important projects. [Moving](#), [HomeService](#), [Mometer](#).

I provided guidance and support to new employees at the company, helping to ensure their smooth integration into the team and overall success within the organization.
